FOREIGNERS MENACE

Judge Stockbridge Says Immigrants Endanger Safety.

EXPRESSES ALARMIST VIEWS

In Address to Sons of the American Revolution, Baltimore Man Adjures Members to Stand Closely Together for the Preservation of the Nation and Citizenship of the Future.

American institutions are endangered by ever-just judge;

The attitude and policy of the daily newspapers, and the activities of the muckrakers, were also declared to be a constantly growing menace to the public vertex of the men who were sent to investigate the men who were sent to investigate the public vertex of the mounted squad will drill in front of the mounted squad will of the mounted squad will be an activities of the mounted squad will drill in front of the mounted squad will of the mounted squa welfare, by the speaker, who took an ex- misrepresented by the muckraker and riots there. ceedingly alarmist view of the existing the daily papers. Franklin Bell, Chief of tomac Telephone company that the trees on Thirteenth Staff, in command of the American troops in Cuba, to report at the War Department in order to clear the telephone wires has been denied. Superintendent of Parking the Cuba, to report at the War Department in this city on January 1 next, to Langham says the trees are fine young Lindens, and resume his duties as Chief of Staff, to cut their branches sufficiently to relieve the were the guests of the Washington of- Brig. Gen. Theodore J. Wint, who now wires would be ruinous commands the Department of Missouri, has been selected by the Secretary to succeed Brig. Gen. Bell in command of James W. Wadsworth, executors of the the "Cuban army of pacification"

It was said at the War Department yesthe Secretary of War. The policies of the President in Cuba have been entrusted to Gov. Magoon and Bri. Gen. Bell. and the latter's work will have been company. The whole party, with two exceptions, left Washington on the 3 o'clock plant of the latter's work will have been completed by January 1. Brig. Gen. Wint, who becomes the party compression of the latter's work will have been completed by January 1. Brig. Gen. Wint, who becomes the next commander, was in command of the camp at News, Va., and had charge of the em-barkation of troops for Cuba.

Lieut. Col. William M. Witherspoon, chief of staff in Cuba, in a letter to Secretary Taft says that within a few days' practice marches will be begun by the troops all over the island simultaneously, the idea being to insure peace and tranquility among the people seems that each party in Cuba would preguilty; therefore they should stand together when the penalty falls."

HAU REMANDED ONCE MORE.

London Authorities Still Awaiting Papers in Murder Case.

Karl Hau, alias Karl Stau, who filled the chair of professor of Roman law in Seorge Washington University, and who is accused by the German police of having murdered his mother-in-law in Baden-Baden, appeared before the Bow Street Police Court, in London, England, yes-Yesterday morning Precinct No. 2 was SECRET KEPT BY HIS FRIEND terday, for the third time, and was again remanded, awaiting the arrival of certain papers from Germany.

It is now charged by the police of Vienna that Hau arrived in that city from Constantinople on October 18, and that on Life, but Refuses to Tell Even the that date he cashed a check for \$2,000. Relatives-Found at Supper-time. Later, according to the bank officials, a telegram from London was received saying that the check in question had been stolen from Hau. He denies having cashed the paper, but the description of evenue, committed suicide by hanging the man precenting it for payment at the Vienna bank tallies with his own.

It is now two weeks since Hau was arrested, and his counsel, Attorney Wilson, is not yet decided whether or not he will fight the extradition proceedings. He will not determine this point until he "Why did you do it, Harry, why did you has had opportunity to study the paper do it. I did not think you meant it," he
